NO. 42

## WANTS SUGGESTIONS AS TO POSTPONEMENT

The News is in receipt of the following from Hon. John T. Raulston, judge of this circuit:

"Winchester, May 5, 1920.  
"To whom it may concern:

"Realizing that the farmers are behind with their work, I desire to invite the suggestions from the Bar, litigants and all others concerned, as to whether or not we should have the June term of Court at the regular time or let it go by until crops are finished.

"Respectfully,  
"JOHN T. RAULSTON,  
"Judge."

The News is decidedly of the opinion that the June term of court should be postponed. Crop condition is so serious that it would be an offense against humanity to demand that a farmer leave his crop to attend court as juror or witness. We are glad Judge Raulston sees the danger and is willing to be directed as to the best interest of the people, and we are sure lawyers and clients alike realize the danger and will ask for a postponement.

## DEATH OF J. C. LAMBERT PROMINENT MINISTER

A more extended notice contributed by a friend, which arrived too late to put in type for this issue, will be published next week.

### Family Reunion.

Mr. and Mrs. W. K. Marlin, this city, are happy in having all their children once more under their roof. Evert Marlin, who is home on a furlough from Germany, returned last evening from Huntsville, Ala., with his sister, Mrs. Sam Fisk, and Mrs. O. B. Granum, of Houston, Texas, was already with them, thus making the family circle complete. Mr. Marlin is unable to leave his bed, and the home-coming of his children is a great pleasure to him.

### I. O. O. F. ANNIVERSARY

So. Pittsburg Lodge No. 198, I. O. O. F., will have special exercises Sunday, May 16, at the M. E. Church in that city, at which Rev. J. H. H. Schuler, of Bristol, will be the principal speaker.

## UNCLE TOM'S LETTER

Editor News:

I do not wish to make a hobby of the conduct of our boys and girls. I raised four boys in Tracy City and I never allowed them to lie out in town after the sun set, and they don't do that way now. No, they are at home with their families.

I do not know who "South Wind" is, but he or she has told lots of truth concerning the concerning the conduct of the boys and girls. Tracy City has a lot of boy nuisances, as well as Coal-mont, and you have to walk around them when they are playing marbles or throwing the ball.

You needn't talk about the sheriff doing anything about the wildcat stills. You hurt one of the sheriff's wildcaters or bootleggers and he or his deputies will light on you like a hen on a Junebug.

The boys are no worse than their daddies. The old man, I guess, thinks it smart for the boy to cut a wide swathe. Nobody is to blame for the condition of things in Tracy but the church people. This is rather a salty charge. Why some of them will actually take their families and walk right by the church and go to the theatre, just to please their children. Of course there is no harm in such things now.

Our fathers were a lot of old fogies and would not allow us to play cards or drink liquor, and sister's dresses were lengthened at a certain age and if you saw a girl's ankles you had to have a sharp eye. Now, how is it? Quite different, you can almost see the whole girl and not a blush covers her cheek. Old granddad may frown and look sour, and grandma—oh, she's a back number and can do nothing but scold, but papa don't care and mama wants her girl to follow the fashion and be in society.

"South Wind," you may blow and cavort but what good will it do. Our society christians are doing good work for the devil.

I am not burlesquing at all, for I love our young folks, but they don't know any better. Not many boys or girls go astray when properly trained.

I hope the holiness revival will produce more lasting good than the meeting Capt. Raulston held two or three years ago when over two hundred were said to be converted. It would be a fearful failure. I can't see for my life how it is men and women will profess faith in Christ and in three weeks or less time after the meeting closes make shipwrecks of their faith. That is what I mean by suckers bite at any kind of bait.

The world has gone mad after something new and churches are following suit as though God would change the plan of salvation to accommodate our cultured and refined society people. My Book tells me I must repent, believe and be baptized. Fact is, repentance and confession don't suit our dignity. Some people really do not seem to understand the doctrine of repentance, and want to get by it as easily as possible. Sorrow and detestation of sin, with a firm purpose to sin no more, produces forgiveness. Your repentance must be true, ready and willing to make any sacrifice possible. I do not confess repentance so easy after all.

Oh yes, there are lots of good humble christians who train and educate their children in nurture and admonition of the Lord. I'm sorry for any boy whose father

## Nippon Has Its Salvation Lassies, Too

East may be East and West may be West, but the twain meet under the colors of the Salvation Army.

Here one sees evidence of the Army's labors in the "Cherry Blossom" land of Japan. The color of the skin or the slant of the eyes of these Salvation Army officers makes no difference in their purpose and endeavor. The men wear the same uniform as

their western brothers, but the women have adapted the Army's garb to the kimono robes of their native land.

The pictures give testimony to the work of the Salvation Army in but one of the 66 countries in which that organization has its posts, and Japanese is only one of 40 languages spoken by those who wear the uniform in these scattered lands.

doesn't love him enough to make him mind, I am sorry for the girl whose mother does not teach her modesty. It looks like modesty is fast disappearing from the female sex. Well, "South Wind" the parents are the guilty ones.

## Superior, Wyoming.

Special to the News.

Snowy weather seems to be the order of the day, and it looks as spring will never visit good old Wyoming. The snow has been so severe that it had traffic tied up until a few days ago. The mining towns in this vicinity failed to operate, and the stock farmers lost several hundred head of cattle. The snow had drifted so deep in the roads that they could not get to them with feed. But Colorado farmers generally rejoice to see the snow fall, as it is their dependence for moisture to raise their crops.

A. C. Lamb and son, Cordius, arrived here a few days ago and are making good money. Cordius Lamb has purchased a new car, a Wescot Six, and intends to make the trip back south in his car next spring, and his father will probably locate in Utah, where he will buy a stock farm.

There was a big dance last evening at the Opera House, given by the I. O. O. F. Everybody reported a nice time. There was music by the South Superior orchestra and sandwiches were served.

Clarence Holmes was out walking with his best girl Sunday.

W. C. Lamb and Miss Bessie Miller were out automobile riding Sunday evening.

J. A. Holmes, formerly of Virginia, has now accepted a position in Pittsburg, Pa.

Edward Turner has returned to his home in Greeley, Col.

Come on, all you good democrats of Marion county and let's elect a president on the labor ticket regardless of party. I see the democrats of Georgia have endorsed Attorney-general Palmer for president, and if Dr. Garfield would declare himself no doubt but what he would carry the whole state of Rhode Island.

## C. H. DAVIDSON WEDS IN PENNSYLVANIA

From a Pennsylvania paper we learn the following:

A wedding was quietly solemnized at 6 o'clock on Saturday evening at the home of Mrs. Margaret Need, Village Green, where she was united in marriage to Charles H. Davidson, of Chattanooga, Tenn. The ceremony was performed in the presence of the immediate family, a few relatives and intimate friends, by Rev. J. Carpenter Zook. The bride was unattended and wore a blue satin gown, trimmed with lace. She carried a bouquet of white carnations. The house was prettily decorated with palms and cherry blossoms and the bride received many beautiful valuable gifts. Following the ceremony the guests were invited to the dining room, which was tastefully decorated in colors of pink and white, where they were served with a bountiful collation.
